

# ***TOO HOT NOT TO HANDLE***

## **ACTIVITY 3** ***LETTER***

**Using your Impacts of Global Warming chart, write a letter to someone explaining the importance of this urgent threat to humanity.**

- Write the letter to your parent or guardian, a relative, your school principal, a friend, a sibling, your mayor, a senator, the President, anyone you think should hear about the issue of global warming/ climate change.
- Describe the threat, the impacts, how these changes will affect us, and what we can do to help.
- Include what others are doing to cut back on emissions. Remember what you learned in the film.
- If you write to your school principal, write about what you can do as a school to help. If you write to your parent or guardian, write about what you can do as a family to help.
- Check [www.hbo.com](http://www.hbo.com) for resources.
